

Falcon Trailblazers
December 17, 2018

John Matzke called the meeting to order at 7:43 PM.

Secretary's Report

The minutes from the November 2018 meeting were read by Chris Hettrick and accepted.

Treasurer's Report

John Matzke determined the monthly service fee incurred at the bank on the club's account was because the club was still opting to receive paper statements. He turned that option off for that account and now we'll save that money going forward.

Webpage Report

John Matzke will email pictures from his phone to Chris Hettrick to post on the website.

Alliance Report

John Matzke reported on the following:

- Christmas party was nice- there was good food
- Trail maps work is still ongoing- hopefully proofs should be done this week with the final version going to printer and available in January
- Waiting for snow!

Trail Report

Club members have been out marking trails throughout Paddock Lake and Salem. Several items still need to be addressed:

- The Hwy F area impacted by the new construction is still an issue. Previously we could just run the trail across that land, but now there is ongoing construction on it. We will probably just have to run the trail along Hwy F on the easement for now
- Hwy C from 260th Avenue to the Camp Lake dam still needs to be marked
- The spur trail from Hwy 50 to the Hide A Way bar has not yet been marked

Most of Hwy 50 is in pretty good shape. As always it seems we always need signs, especially ones indicating T intersections as well as caution signs. We have plenty of poles and whips to attach them to.

Old Business

No report

New Business

The upcoming Kenosha County Alliance Meeting will be held by the Falcon Trailblazers on January 16, 2019 at Kelly's Pub in Trevor.

We need snow!

The meeting was adjourned at 8:19
