

Falcon Trailblazers
November 18, 2019

John Matzke called the meeting to order at 7:51 PM.

Secretary's Report

The minutes from the October 2019 meeting were read by Chris Hettrick and accepted.

Treasurer's Report

Chris Hettrick turned in two deposit slips totaling \$90 worth of deposited items. Current balance is \$601.17.

Diane Maki from the Village of Salem Lakes contacted the club to say that the village currently has \$10 from map sales and would like more copies of the most current map. John Matzke stated he has been trying to contact Diane and will get her more maps so the village can continue to sell them.

Webpage Report

Chris Hettrick has not been able to make the changes to the Trail Update pages discussed at the last meeting. After the changes are additional pages will be reviewed.

Alliance Report

John Matzke reported on the following:

- The Alliance Christmas party will be 7 PM December 11 at Jeddy's
- Groomer issues still ongoing- a meeting will be scheduled prior to the Christmas party to resolve the issues the Twin Lakes Runners have
- The AWSC workshop in Appleton was attended by several Alliance members

Trail Report

John Matzke started marking Hwy 50 on the weekend of November 16/17. The informational kiosk has been put up at the intersection of Hwy 75 and K. The soil along the road is so wet weed cutting is virtually impossible. John and crew will try again the weekend of November 23/24. The hope is that a hard freeze will help stabilize the ground and make it easier to work. Marking will continue for the next few weekends- we will do what we can, with what the weather allows us to get to. All clubs in the area are experiencing the same problems.

Old Business

Larry Misicka stated he may know someone who would be interested in purchasing the old Alliance groomer.

New Business

No report

The meeting was adjourned at 8:36 PM
